22 mm

The tilting rules..!

The riders must be uniform dressed, dark jacket, white pants and cap as well as long, black boots. The lance is white as well and is 1,86 meters long. All riders participate in the competition for the title of the king, crown prince and prince. The tilting takes place in 22 gallowes (courses) and each gallowes has a pre-rider, who is responsible for the completion. All riders ride 24 times through the gallow with a break after round 12.

5 mm

The riding happens at a gallop and the hole in the ring is 22 mm. After this the best ride for the winning places and here the size of the hole is 17 mm, after this it is reduced to 13 mm and 10 mm. If this does not produce a winner either, a ring with a hole of 5 mm is mounted!!!

– dit univers af billeder

"It IS tilting" is the title of the photography competition of the tilting festival. With this title we allow photography enthusiasts to illustrate the mood that for them is tilting. The possibilities are vast; on the homepage www.ringriderfesten.dk you can see examples from 2010.

The rules are simple

Send your digital photo in jpg. format and in high resolution to fotos@ringriderfesten.com **before August 15, 2011**, and you are entering the competition for three vouchers from Click Foto in Sønderborg. The prizes are 3.000, 1.500 and 500 DKK. Every competitor can submit maximum three photos for the competition. Remember name, address and phone number in the mail you send with your pictures. The winning photos and names are published on the homepage on September 1, 2011. *Also, by entering the competition, you give the tilting festival permission to use your picture in print as well as digital media – free of charge.*

Tilting Museum

- the only one in Denmark

Kirkegade 8, in the second oldest house in Sønderborg. In connection with the tilting festival, the museum is open Friday July 8, Saturday July 9, Sunday July 10 and Monday July 11 from 10 am to 4 pm. In June, July and August the museum is open every Tuesday and Friday from 10 am to 5 pm.

Historical tilting

At the historical tilting course at Sønderborg Castle riders, wearing fancy middle age costumes, give a performance of the tilting sport. This happens every Tuesday at 5 pm from July 5 to August 9.

TIDSKAPSEL

Hvert år bliver 150 børn ramt af kræft, 3 ud af 4 børn bliver helbredt. Hjælp os med at helbrede alle børn, der får kræft. Vi når dette mål sammen, ved at støtte børnecancerfonden. Deres formål er at styrke forskningen på kræftområdet, uddanne specialister og ikke mindst forbedre vilkårene for børn med kræft og deres familier. Jacob Nielsen & Søn har valgt at tage kampen op mod kræften. Derfor har vi i samarbejde med Team Rynkeby og designer Tine Lindhard produceret et smykke, som hedder Tidskapsel.

Tidskapslen kan bære dit eget værdifulde minde eller ønske. Du kan åbne den i bunden og gemme et lille billede, en børnetegning, et ønske, et citat, en kærligheds erklæring, en målsætning eller andre betydningsfulde ting, som du vægter højt. Tidskapslen er lavet i 925 sterling sølv og kommer med en læder snor. Dame vedhængen er æggeformet og materet og herre vedhængen er cylinder formet og oxyderet. Prisen er 695 kr. Alt overskud går direkte til børnecancerfonden og støtter børn med kræft.
