

Personal Watercraft (PWC) Operation

Regulations in the Sønderborg area

'Natura 2000' zone: PWC's (Jet-Boats) are not permitted to be driven at any time!

300m Coastal zone: PWC must be operated according to these restrictions:

- Be considerate of bathing guests
- Be considerate of birds and other animal life on and in the water
- Watch out for other sailors as well as Wind- and Kite surfers
- Signal your direction to other boats in advance
- Keep proper distance to boats lying at anchor
- All persons on a PWC must wear a life jacket at all times
- PWC are required to be operated in a straight line within 300m of the shoreline with maximal 5 knots (if launching in a harbour, the fairway must be used from and to the harbour)
- Have fun – but be aware, **ALWAYS keep min. 300m distance from the coast!**

'Natura 2000' is an ecological network of protected areas in the territory of the European Union, in order to protect the most seriously threatened habitats and species across Europe.
